SUBJECT : REQUEST FOR REVISION OF MY PENSION

Respected Sir,

I would request you to excuse me for bringing my grievance to your kind notice for due consideration and early redressal.

I was recruited by Government of India (P&T Dept./DOT) and worked in the said department as a Central Government employee for most part of my service life. Subsequently I was absorbed in Mahanagar Telephone Nigam Limited (MTNL) when MTNL was formed as a part of Central Government policy to restructure telecom service. I retired on superannuation from my service in MTNL. I am drawing Government pension from central civil estimates on my combined service in DOT and MTNL together.

For the period of my service in MTNL, the pension contribution has been paid by MTNL to the Government on the maximum of my pay scale in MTNL.

All my pensionary benefits are regulated by the CCS Pension Rules as amended from time to time on the recommendations Central Pay Commission. Thus the increase in gratuity, minimum and maximum amount of pension etc have been amended in "pension on combined services" as per recommendations of 7th.CPC. The only exception is Revision of Pension.

Hon'ble Sir, as my pension (on combined service) is regulated as well as paid by Government of India and that the pension contribution has been paid for my service in MTNL, my pension should be revised as per the orders on the 7th. Central Pay Commission.

Your kind intervention is solicited in this respect so that my pension is revised without further delay.

With highest regards

Yours faithfully
